“I CAN’T believe I lost my baby brother. We were very close.”

Grieving San Juan/Barataria Regional Corporation councillor Kwe-si Antoine shared his thoughts with the *Express* after he lost his younger brother Keron Antoine, 34, in an accident on Saturday morning.

Antoine, of 25 Circular, Sixth Avenue, Malick, Barataria, and passenger Samantha Beepath, 29, died after their vehicle hit the concrete

bridge spanning the Guay-amare River on the Uriah Butler Highway and plunged into the river. It is uncertain if the couple drowned or died from crash injuries. Their deaths are the first road fatalities for 2019.

The elder Antoine said: “The family is shocked. We are saddened. His children Armani, Karmani and Jervia are traumatised. They were close to him.”
